SSB Kids! Will provide a trained staff to host, supervise and serve your guests in the party room. You may bring your own cake. We supply the pizza and drinks; no other outside food is permitted. Since our facility is very large, there may be more than one party going on, but your party is our priority and will be given an exclusive space in the gym.

Parents of each birthday participant are required to fill out a permission slip and bring it to the party. A \$100 non-refundable deposit will be due at the time of booking your party.

Guests arriving early or picked up late must be supervised by the parent of the birthday child. The birthday family may arrive 10 minutes early to greet guests; however parties will begin and end promptly at the designated time assigned by the office. Parties who go over their designated time will receive an additional charge on their final invoice. We look forward to giving your child a fun filled birthday experience!
